PROFESSIONAL EXPERIENCE

Front-End Web Developer

Jul 2023 – Current

Kloudify Technologies, Sydney NSW

- Develop and maintain the Kloudify Technologies website, ensuring a seamless user experience by utilising front-end technologies.
- Regularly update the website with fresh content, enhancing user engagement and keeping the site current with the latest insights.
- Collaborate closely with the technical support team, providing essential front-end assistance to integrate web-based solutions and resolve technical issues swiftly, ensuring high availability and performance.

Web Developer

Oct 2022 – Current

Freelance, Sydney NSW

- Worked closely with a diverse clientele across many industries to understand requirements and translate visions into functional websites; implemented a mobile-first approach to website building.
- Specialised in front-end development, creating visually stunning and user-friendly interfaces using HTML, CSS JavaScript and modern frameworks like React or Next
- Engineered an e-commerce site, boosting online sales by 25%, showcasing expertise in web development and digital commerce solutions.

Junior Web Developer

Mar 2023 - Apr 2023

Future Friendly, Sydney NSW

- Developed dynamic and responsive websites using Next.js, Tailwind, and React.js, enhancing user experience and engagement through modern web technologies.
- Ensured high code quality and maintainability by actively participating in code reviews, fostering a culture of collaboration and continuous improvement within the development team.
- Achieved a 15% reduction in user-reported bugs by implementing rigorous testing and quality assurance processes, contributing to a more reliable and user-friendly product.

PROJECT EXPERIENCE

[Real Estate web Application](#) | *Freelance*

2024

- Used the MERN stack to develop a Real Estate Web Application; received feedback on exceptional UX.

RIA JANNAH
